Paving the way for everyone to play competitive ice hockey!

Hockey can be an expensive sport, but the benefits to our players far outweigh the cost. New players start their first year with no out of pocket cost to them.

The Team provides:

1. Sled
2. Necessary Pads
3. Sticks
4. Ice time
5. Tournament Registration Fees

Returning players pay a minimal registration fee of \$200. This helps to offset the cost of ice time, registration & insurance.

Hospital stays & Medical bills can make it hard for families. CBJ Sled Hockey wants to make sure that these costs never impact their ability to play the sport that they love!

The average cost to get a new player onto the ice is **\$1,500+**
The CBJ Team welcomed 13 new players this season!

OHIO SLED HOCKEY

Dear Business Owner,

I am writing to you on behalf of Ohio Sled Hockey, a non-profit organization for children, adults and veterans with physical disabilities. We are in the middle of our fundraising campaign and are reaching out to the businesses to support our program.

Ohio Sled Hockey is a competitive team sport providing league and tournament play for those with physical disabilities in Columbus, Ohio. In the minority population, disabled persons and adults with *physical* disabilities represent an even narrower minority. Spina bifida, paralysis, cerebral palsy, and muscular dystrophy are just a few examples of typical afflictions of those served by our program. People with physical disabilities are the most underserved population in sports programming today.

Ohio Sled Hockey is a 501(c)(3), not-for-profit organization with 100% of all dollars raised for our annual operating budget going directly to the program and its participants. Monies raised are used for equipment, scholarships for participating athletes, travel, and ice time.

As part of our community activities for the year, our team and board members are putting together raffle items for our annual fundraiser, in which our team will play a team of business people who will be getting into sleds to play "our way." This event helps create awareness of our sport and physically challenged athletes.

Your company can help by donating a Raffle Item or Gift Card for our Fundraising Table. Please respond by January 27 to be included on our Sponsor List during the event. We appreciate your help!

Please feel free to contact me with any questions that you may have.
