Proceeds from this years event will be donated to the John and Matthew Gaudreau Foundation. At the heart of their mission is a commitment to helping youth hockey initiatives, supporting hockey families that have faced tragedy and helping other families that have been affected by drunk driving, like their own.

They are passionate about ensuring that the joy of ice hockey is accessible for all youth. They believe that every child can benefit from activities that promote teamwork, discipline, and personal growth.

As family first men, John and Matty cared most of all about their young children. The JM Foundation is also eager to help other families that have suffered from devastating acts of drunk and reckless driving.
