TOURNAMENT TESTIMONIALS

The HPIB Annual Charity Tournament is one of the best and well-run events I attend each year. The Cleveland chapter does a great job of hosting out-of-town guests, and everyone has a great time for an even greater cause.

ALLEN PINGATORE

Best weekend of Hockey, camaraderie and giving around, no exceptions!

MATT ZIMMERMAN
INDIANAPOLIS

Participating in the Hockey Players in Business charity tournament was an outstanding experience from start to finish. The event was exceptionally well organized, struck the perfect balance between competitive hockey and meaningful networking, and brought together a terrific group of professionals who share a passion for the game. Over the course of three days, the tournament delivered high-level competition, genuine camaraderie, and countless opportunities to build new relationships both on and off the ice. Most importantly, the event supported a truly worthwhile cause by raising funds for the American Special Hockey Association, making the experience even more rewarding. It was fun, challenging, and incredibly well run — I would strongly recommend this tournament to anyone looking for a first-class hockey event that combines competition, connection, and purpose.

Fantastic tournament and for a great cause. Fun for players of any level and a very inclusive environment. Looking forward to playing for years to come.

JACK UBBING

I was asked a year ago if I was playing in the HPIB tournament and knew nothing about it. I was told it was the best run tournament for an outstanding cause. Not only did I discover that to be true this year playing in the tournament, but all my expectations were exceeded. I can't wait to play again next year.

RICHARD SPINE
CLEVELAND

Super tournament, incredibly well run. The reason for us to be there is even better.

SAM JOHNSON
PITTSBURGH

The event, the people, and the comradery amongst individuals from multiple different walks of life, business/career paths, and cities who all come together for a sport we love - and to do good in the world - is fantastic and a reminder of what we can do together.

TOURNAMENT TESTIMONIALS

The HPIB charity hockey tournament was one of those experiences that reminds you why you love the game in the first place. It wasn't just about being on the ice, it was about the people, the stories, and the impact we're able to make together. Seeing so many individuals come together through Hockey Players in Business to support a greater cause while doing something we all care about is special. Events like this go beyond hockey, they build relationships, strengthen community, and truly make a difference.

KEVIN HENRY
COLUMBUS

This was my first time playing in the HPIB and the tourney was well organized, and fun to play in. I am a low skilled hockey player and did not feel overwhelmed by the games. Higher skilled players helped make sure the low skilled guys were part of the action. In addition, we raised hundreds of thousands of dollars for the special needs' hockey players. Watching them play in the charity game against the all-star HPIB team was an awesome feeling seeing the look of joy and happiness on their faces. Thank you for putting on a great event. And a special shout out to Reed Low, he did a great job talking with everyone and running the auction. Also, it was cool to be able to say I played in a tournament that had a former NHL player in it.

Participating in the Hockey Players in Business charity tournament was an outstanding experience from start to finish..

PHIL SISIA
COLUMBUS

This is the greatest charity hockey tournament I have ever come across. Every detail is thought out and executed perfectly. The best part is the real impact that participating in this tournament has on improving people's lives. I would travel across the country to play in this tournament.

TYLER ROSE
PITTSBURGH

I had the absolute privilege of competing in the Hockey Players in Business National Tournament, and it was one of the best experiences on and off the ice. The hockey was challenging and fun, but the camaraderie among players who share a love for the game and the boardroom quickly turned teammates into friends. I connected with CEOs, entrepreneurs, and executives who understand the pressures of running a company and walking away with real partnerships.

What better way to break the ice in networking events than talking shop with teammates and fellow national chapter members. Above all, the charity component made the event unforgettable, with every game and sponsorship directly supporting kids' hockey programs, cancer research, and veteran initiatives.

Knowing our effort on the ice was making a tangible difference turned competition into something far bigger and more meaningful. The perfect blend of fierce play, genuine connections, and giving back created an unbreakable community spirit.

To anyone considering next year, don't hesitate—register, lace up, and join us. You'll leave a stronger player, a better networker, and part of something that truly values competition, friendship, and charity. Giving back to the game we all love was paramount, and I can't wait until to lace them up again at the tournament next year. See you on the ice!
